

Dear Colleague,

Thanks for watching the [introductory video](#) at the link in the email that you received. As part of our 15th Anniversary UN Celebration, we are looking to repeat this [Lincoln Memorial event](#) in every city, state and country. With this in mind, we thank you for your great commitment to the arts and humanity, and for allowing us to show this program to you and help you understand "HOW WE DID IT!"

Please look at an example of what we have achieved in one country with JUST ONE of our previous Grants:

ONE Grant to an outstanding Musical Project: <https://www.prlog.org/12486816>

Just ONE Grant (Pakistan): <http://jazzforpeace.org/liveinpakistan.pdf>

**Based on this info above** (and our Video of over 850 Grants: <http://www.bel7infos.eu/jazzforce-jazz-for-peace/>), **please let me know if you would like to find out how to obtain this grant for your outstanding project or cause.**

**FAQ #1: Why do you use the Empowerment Tree Model to help outstanding causes and projects?**

**ANSWER:** Here is a video that explains why money all by itself is nowhere near as helpful as a combination of 7 components (\$\$ being just 1) that empower an outstanding cause.

**Click here for our GRANT WORKSHOP video:** <https://vimeo.com/186064846>

**FAQ #2:** I have now watched your [introductory](#) video, reviewed the additional material above (including your [Grant Workshop](#) Video) and am now ready to receive the same "helpful step forward" from your foundation that has already been granted to 850 others. **How can we obtain immediate grant approval from your board?**

**ANSWER:** "Help us introduce you to our board" for quick funding approval by clicking on this link: <http://jazzforpeace.org/helpusintroduceyououtoourboard.pdf>
