**7. WE AGREE TO CONFIRM OUR EVENT QUICKLY.**

**And lastly we understand that because of the potential benefits of the Branches of the Empowerment Tree, it is important to "Plant the Roots quickly so that the Tree will have plenty of time and energy to Grow!"**

**For this reason we have worked closely with the Jazz for Peace Grant Administration Department to generate enough interest to be able to confirm this event quickly by immediately beginning the process of collecting the funds from our VIP Guests of Honor for a pair of tickets or more each as soon as this Grant is awarded.**

The deadline for VIPs to pay is to create a sense of urgency so that the funds can be collected within a two or three week timeframe so that important Branches of the tree can Grow with plenty of time and energy!

the Jazz for Peace Grant Administration team will assist us to obtain our VIP Guests of Honor as well as all of the other sustainable funding branches of the Empowerment Tree located at [www.jazzforpeace.org/tree](http://www.jazzforpeace.org/tree) as well as share their proven maximum fundraising techniques (here is one such example: [Click & scroll down to "TIPS FOR SUCCESS"](#)), personal coaching and step by step guidance from over 800 previous events that they have garnered along the way. This shared information as well as all of the sustainable funding that is obtained from it is ours to keep as part of this funding award.

Once our event is confirmed, Jazz for Peace will then guide us to the 100% to you maximum funds level. Jazz for Peace will NOT take out their expenses first before giving us funds and will start giving us funds on the very first ticket sold. We will receive \$7 to \$10 from tickets 1-220 and from there 100% to us.

This step is only the first of SEVEN Fundraising Steps as detailed on our Empowerment Tree.

Highest Award: \$250,000.00
