Below are examples of comments that we have received - See many more [HERE](#) & [HERE](#).....and 🗣️ [HEAR](#) how we 🗣️ [did it!](#)

“By bringing Israeli, Palestinian and American Jazz musicians together Rick DellaRatta and Jazz for Peace have used the transcendent quality of music to promote a message of peace and unity. Now, over 500 concerts later, Jazz for Peace continues its mission of challenging humanity to realize that the forces that unite us are far stronger than the forces that divide us. I want to congratulate Rick and Jazz for Peace on everything they have accomplished to this point, and all the good they are sure to bring about as they continue this concert series....” ~ **United States President Barack Obama**

**Here is a Recent Comment from one of our many Grant Applicants:** “I would like to say many thanks to the Jazz for Peace Organization for the opportunity I am given to take part to their Grant Program. Here is my comment: “Peace is unquestionably a basic, essential and legitimate value affecting positively mankind, the world, likewise the whole Universe. Being in peace with ourselves, the others and the nature is a state of mind and a permanent quest... By connecting likeminded people and organizations around the world with the necessary resources by means of Jazz, the Jazz for Peace organization is somewhat a Glimmer of Hope fighting the root causes of poverty, hunger, illiteracy, injustice, wars... For this reason, this great organization deserves my support and total commitment.” ~ Aubin Oscar Zoetyande - Ministry of Youth, Professional Training and Employment of Burkina Faso

**And this is from one of his team members:** “*Let’s celebrate Peace with the Jazz for Peace Foundation in Burkina Faso!*” ~ Sanou Laurencia, Board Member ([See all team comments HERE](#))
