**AGREEMENT BETWEEN Jazz for Peace
AND
THE INTERNATIONAL CENTER FOR GLOBAL COMMUNICATIONS FOUNDATION, INC.**

As the not for profit fiscal agent for **Jazz for Peace**, the International Center for Global Communications Foundation, Inc. (ICGC) will offer administrative support, fundraising advice and help in devising and implementing its business strategy.

Administrative and production support will include administration of donations and grant money, and may include access to our in-house staff.

As the fiscal agent, ICGC will receive 5% of any money raised.

The undersigned agrees that it will submit a full and complete financial statement on the manner in which any funds are spent and a narrative report on the progress of the project at the close of each of the fiscal years in which you receive or expend any portion of the grant(s). In addition, upon completion of the use of the grant(s), a final report is to be furnished to ICGC with respect to all expenditures applicable to the grant(s). All financial statements should reflect expenditures according to the budget categories submitted to the granting authority at the time of the grant. If several grants are received, a separate accounting is required for each grant. ICGC will then submit the financial statement and the narrative, along with other required information on ICGC to each granting authority.

The undersigned also agrees to maintain books and records as required by the Internal Revenue Service regulations, and be prepared to make such books and records available to ICGC at reasonable times.

ICGC will advise the undersigned immediately if the Internal Revenue Service gives notification that there has been any change in its tax-exempt status.

Further, **Jazz for Peace** hereby irrevocably and unconditionally agrees to the fullest extent permitted by law, to defend, indemnify and hold harmless, ICGC, its officers, directors, trustees, employees and agents, from and against any and all claims, liabilities, losses and expenses (including reasonable attorneys' fees) directly, indirectly, wholly or partially arising from or in connection with any act or omission of the grantee, its employees or agents, in expending or ap-

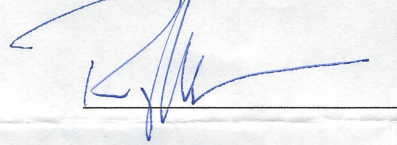

plying the funds furnished or in carrying out the program or project to be funded or financed, except to the extent that such claims, liabilities, losses or expenses arise from or in connection with any act or omission of ICGC, its officers, directors, trustees, employees or agents.
