With this in mind, please follow “Greg the Grant Seeker” to the bottom of this page and then let us know if you understand the first 5 words of this sentence:

**“HELP US PLANT THE ROOTS** – so we can GROW your Empowerment Tree”

Your simple “YES” or “NO” answer will help us go to the next step!

**Who needs this Grant?**

A. Organizations and Causes that are truly more outstanding and dedicated than most others in their group and therefore deserve to be singled out from an extraordinary sea of mediocre non profit listings which are confusing their potential funders and donor base and holding them back.

How much money do YOU give to causes that you’ve never heard of? The Empowerment Grant from Jazz for Peace™ “Separates the Wheat from the Chaff” giving those that want to make a difference the opportunity to choose YOU as the destination for their funding.

B. Organizations and Causes who need but simply cannot afford to hire a high quality (and therefore highly expensive) professional fundraising firm to put on a world class Cultural Event/Fundraiser as well as provide the vital staffing, experience, advocacy and event coordinating expertise and guidance necessary to make it a success and help them get “from where they are now – to where they need to be!”

C. Those who need to EXPAND their vital donor base; Thank, honor, reward and rejuvenate their current supporters; Strengthen and enrich their sustainability by developing long term partnerships with local businesses and major corporate sponsors; Broaden their outreach through publicity and awareness; Generate new friendships and alliances; Attract NEW and Prestigious supporters; AND: **Raise much needed funds for their program!**

For Outstanding Causes or projects who are in need of one or more of the above, this Grant is simply a necessary step on the way to achieving those goals and the faster our team can help you do so the better! While on the surface this may sound too good to be true (FAQ #8), it is an undeniable fact that over 850 Outstanding Causes have already benefited from this Grant as you can see here in their very own words.
