## **DECIDING WHO GETS PAID TO ATTEND!**

The next step for you is to decide who will "Get Paid" by our foundation to attend this World Class Cultural Event as detailed in the VIP Guest of Honor Fast Facts listed here:

(<http://jazzforpeace.wordpress.com/step-2/>)

and list these names (NAMES ONLY for privacy protection) in the box at the bottom of this form.

## **IT'S THAT SIMPLE!**

By honoring and rewarding your current friends, family and supporters while EXPANDING your vital donor base, YOU get to decide which board members, friends, family and supporters will be able to actually "Get Paid" by the Jazz for Peace Foundation to attend this event.

The VIP Guest of Honor Opportunity, just one of many ways that outstanding causes, organizations, festivals, and others have used to secure confirmation of this historic event, is also known as the ROOTS of your Empowerment Tree (<http://www.jazzforpeace.org/tree>), which enable our Team to Grow all of the Branches to make the event a success and provide long term opportunities for you to benefit for many years to come!

Each VIP is also entitled to numerous savings, rewards, preferred seating and Red Carpet treatment depending on our various sponsors as well as a high quality meet and greet social networking hour and huge savings of \$100 or more per pair of tickets as detailed in the link above. VIP Guests of Honor can also sponsor their tickets so that seniors or students can attend in their place.

To obtain a result that's "[TOO GOOD TO BE TRUE](#)", please be sure to work closely with our Grant Administration Department so we can achieve our "ROOTS Planting" Goal to thank, honor, rejuvenate and reward your current supporters while also EXPANDING your vital support and Donor base!

**HELPFUL TIP:** Forming a VIP INVITE Committee can be very helpful to enable the ROOTS of your Empowerment Tree to be formed quickly and

easily and thereby shows our board that we have both an outstanding cause AND the building blocks for our Empowerment Tree to grow.

Here is a simple one minute video to explain how!

<https://www.youtube.com/watch?v=bynOP-BncOo>

Because VIPs are allowed to purchase a pair of tickets each, a VIP Invite Committee of 15 people need only to invite 4 VIP"s each to have 75 VIPs (150 tickets total), and a VIP Invite Committee of 25 people need only to invite 3 VIP"s each to have 100 VIPs (200 tickets total).

This step not only confirms your event with funds already raised for you, but gives our experienced staff plenty of time to raise maximum funds while growing all of the other Branches of our Empowerment Tree to make your event one that both of our organizations can be proud of for many years to come!

After contacting us by phone, email or Skype to let us know of your interest, please list the names of those who you think will be a part of your VIP INVITE Committee (board members, supporters, family, friends, associates, etc.) by inviting their most favored family, friends and supporters to profit from this landmark event.

For now this can be anyone who has responded favorably to this VIP example Template letter: <http://jazzforpeace.org/vippersonaloutreach.pdf>

Please list the actual names in the box below of people who have agreed to be a VIP Guest of Honor or VIP Committee Member either verbally or by our VIP Link Signup through the invitation letter provided. \*\*\* To respect everyone's privacy please list the NAMES ONLY (we do not need email addresses or phone numbers)\*\*\*

If you have already completed a Grant Application, please list as many names AND COMMENTS as possible so that we can EXPEDITE your funding approval as detailed in this example - <http://www.jazzforpeace.org/quickconfirmationtechnique.pdf> \*
