**IN ONE SENTENCE ~ The JFP TRICKLE Cryptocurrency solves the problems of a "Trickle Down" economy by introducing a "Trickle Up!" counterpart where the world's most dedicated and outstanding causes get the money **FIRST** (in the form of "TRICKLE" - the Worlds **FIRST Philanthropic Currency**) instead of last and when they use it to solve those problems, the money "Trickles Up" instead of "Down".**

**A. Why we do this:**

For the past 20 years, Jazz for Peace™ has helped over 850 Outstanding Causes with our world famous Benefit Concert Series as part of our Empowerment Grant Funding for outstanding causes.

"You are AMAZING!...and the show was incredible. Thanks, Rick!" ~ Caffè Lena

### **C. Why is it good for you to participate:**

1. **Be a part of the Change You Want To See In The World** - YOU are now a part of the very first worldwide implementation of a new TRICKLE UP Economy where "Those who are Helping Others!" are the FIRST to be

EMPOWERED as further detailed in our Official Jazz for Peace Philanthropic Token White Paper\_(see below).

2. **Profit YOURSELF from this amazing and transformational opportunity!** As a VIP Guest of Honor you will receive all of the “perks and amenities” that have made so many previous VIP’s tell us that when all was said and done - they actually “GOT PAID” to attend or participate virtually in this event!
3. **Obtain and accumulate these transformational philanthropic tokens for yourself** as an assistance fee simply by referring other outstanding causes and Grant Candidates to us so that they can not only obtain these tokens, but all of the other Benefits of This Grant that are described in full by our previous 850 Grant Recipients in their very own testimonials as fully documented on our [Jazz for Peace™ Empowerment Grant Benefits Page](#).
