**“By bringing Israeli, Palestinian and American Jazz musicians together Rick DellaRatta and Jazz for Peace have used the transcendent quality of music to promote a message of peace and unity. Now, over 500 concerts later, Jazz for Peace continues its mission of challenging humanity to realize that the forces that unite us are far stronger than the forces that divide us.”**

**“I want to congratulate Rick and Jazz for Peace on everything they have accomplished to this point, and all the good they are sure to bring about as they continue this concert series....”**

**~ United States President Barack Obama**

**“International Jazz Day could not happen without partners like Jazz for Peace....using concerts, community outreach and education programs to raise support and awareness for local and international charities...to promote charitable and service-based activities that help make a positive difference in the world...to unify and empower the vulnerable in our society. We are indebted to you for your steadfast support, and look forward to working with you...” ~ Herbie Hancock**
